

OUR DOCTORS

Dr Maan Alwan

M.B.Ch.B, FRACP, FRCPA

*Consultant Haematologist &
Haemato-Oncologist*

Dr Maan Alwan is a dual qualified clinical and laboratory haematologist. He completed his specialist training at Royal North Shore Hospital in Sydney.

Dr Alwan has clinical interest in both malignant and non-malignant haematology. With a special interest in;

- **Myeloma**
- **Lymphoma / lymphoproliferative disorders**
- **Thrombosis and Haemostasis**
- **Bone Marrow Dysfunction / Cytopenia Management**

Dr Alwan's private consulting rooms are based at Western Haematology & Oncology Clinics in West Perth. He also provides consulting and clinical services at Hollywood Private Hospital (HPH) in Nedlands. Dr Alwan is a part-time laboratory haematologist at Western Diagnostic Pathology.

As a clinical investigator at Perth Blood Institute, Maan is also strongly involved in clinical trials and research in Myeloma, Lymphoma and Clotting & Bleeding disorders.
